

SCHULMAN GROUP

SSG Management

NEXT LEVEL SMILES

An innovative approach that leverages members' collective buying power to deliver competitive pricing and proven nonclinical practice services.

The former Super Schulman Group has evolved. Now re-branded as **SSG Management**, the private, highly regarded, progressive and member-owned organization has expanded to become a Dental Support Organization (DSO). Through the clinical and management expertise of its members, whose practices routinely outperform those of non-members, **SSG Management** is implementing an innovative approach that leverages members' collective buying power to deliver competitive pricing and proven nonclinical practice services.

SSG Management currently serves over 100 members and in excess of 350 practice locations and growing. The Board of Directors is comprised solely of members; further, 75 percent of the membership is actively involved in committees. The networking and leadership opportunities that are offered by **SSG Management** are without peer in the profession.

Membership in **SSG Management** offers distinct professional and personal advantages. Become a shareholder in the only independently member-owned orthodontic DSO.

Why current SSG Management members believe so strongly in the Organization

CONFIDENTIALITY

All **SSG Management** members sign confidentiality agreements. Owners-only online access is assured via a closed, SECURE network.

RELATIONSHIPS

As a relatively small group, members of **SSG Management** get to know one another, and establish peer-to-peer relationships that are based on mutual respect and admiration. This relationship-focused approach lends itself to forging deep, personal bonds. Unlike some networking groups, **SSG Management's** members are professional and respectful when engaging in discussions. The outcome: success that comes through sharing.

SUCCESS THROUGH SHARING

“Success Through Sharing”, including geographic and financial exclusivity is the very foundation of **SSG Management**. As members learn, grow and share their clinical and practice management expertise with fellow members, success inevitably follows. Patients and practices thrive.

COMMITMENT TO QUALITY

SSG Management is committed to awarding membership to orthodontists who:

- Share the organization's philosophy, visions and goals
- Are dedicated to patients and providing them with exceptional care
- Are lifelong pupils and teachers
- Demonstrate strong professional and personal integrity

Few will meet these rigorous criteria. The strategic growth of the organization is predicated upon maintaining these selective standards.

PROMOTING, SUPPORTING GROWTH FOR YOUNG ORTHODONTISTS

SSG Management members understand that success for fellow members comes through sharing. For young orthodontists, access to those with broader clinical knowledge and practice management experience, and who are willing to share their invaluable expertise, can be transformative. Prominent, established members who have attained financial/business success invest in the future of the specialty by mentoring younger members, setting young orthodontists on their own paths to prosperity.

The opportunity to maintain the advantages of independent practice ownership while taking advantage of group buying power.

As a shareholder in SSG Management, the only independently member-owned orthodontic Dental Support Organization, opportunities await you.

The opportunity to exchange ideas about patient care and practice management issues with the specialty's leading practitioners.
